20040 Pantaleo Rozzano BG, ITALY

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 1071521.0

**Tested for harmful substances
according to Oeko-Tex® Standard 100**

1071521.0

CENTROCOT

for the following articles:

Fabrics for coverings and cushions and interior furnishing etc.

- solution dyed fabrics with water-proof finishing in different colors;
 - cottons, flax, cottonflax, dyed and/or printed with reactive and water-resistant in different colors;
 - polyester (Fibreco G) dyed with disperse dyes in different colors;
 - solution dyed polyester with water-proof finishing in different colors.
- These materials are pre-certified according to Oeko-Tex® Standard 100 - fabrics produced with fibres accepted by Oeko-Tex® having these technical properties.

The results of the inspection made according to Oeko-Tex® Standard 100, production phase IV have shown that the above mentioned goods meet the European-accepted requirements of the standards currently established for domestic material.

The certified articles fulfil the requirements of Annex IV of REACH (i.e. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total cadmium level in children's articles (CPSIA, with the exception of cadmium from pigments).

The holder of the certificate, who has issued a conformity declaration according to ISO 17000-1, is also in-charge to use the Oeko-Tex® mark only if corporate sale products that conform with the sample already tested. The conformity is certified by audit.

This authorization is valid until 30.06.2014

Trieste, Austria, 27.06.2014
